Fencing was repaired and the facilities improved

From CPHT Archive

## Cleeve Prior Chroniclers Photo Archive

An area of the old weir face was  
exposed

## Cleeve Prior Chroniclers Photo Archive

These photo's were taken in 2005, showing how much works was needed to stay on top of the area.

## Cleeve Prior Chroniclers Photo Archive

In June 2017 The Birmingham Anglers land was totally abandoned again and not accessible. The car park overgrown, the pond stagnant and smelly devoid of any wildlife. the area was not used so A group of villagers met the BAA and were given permission to tidy up their land and for it to be used again by the village

These later works were supported by:

- The Cleeve Prior Heritage Trust who provided the tractor
- The Parish Council who have given a grant for materials and funded the seat and decking by the river
- The Birmingham Anglers, who have removed all the dangerous trees.

The land is still  
subject to annual  
flooding
